

Medical Appointment Report

Patient Information

Name: Andres Henao

Email: andres@gmail.com

Phone: 0404654321

Consultation Details

Doctor: Dr. John Doe

Speciality: General Practitioner

Appointment Date: April 29, 2025

Report Summary:

The patient reported fever, sore throat, and general flu-like symptoms. A physical examination was performed and no signs of severe infection were observed. The diagnosis is viral influenza.

Recommendations

- Stay at home and rest
- Drink plenty of fluids
- Use over-the-counter medications for fever and congestion
- Return for follow-up if symptoms worsen
